

Mr. WILSON of Ohio. Madam Speaker, there are two people to blame for the extremely high increase in gas prices, President Bush and Vice President CHENEY, two men who came to the White House from the executive suites of Big Oil.

This week, the President proposed a proposal that was literally written by the oil industry: Give more public resources to the very same oil companies that are raking in record profits and are sitting on 68 million acres of Federal lands they already have leased.

The President called for opening the Outer Continental Shelf to drilling, even though more than 80 percent of that is already under lease at this time. The President reported the same old rhetoric about drilling in ANWR, even though his own Energy Department has concluded that will bring no solution for the next 20 years. This type of rhetoric is what is hurting us and will continue to hurt our country.

Madam Speaker, America cannot afford any more failed Bush-Cheney energy policies.

CONGRESS HELPING MONKEYS AND WHALES WHILE AMERICANS STRUGGLE TO MAKE ENDS MEET

(Mr. TIM MURPHY of Pennsylvania asked and was given permission to address the House for 1 minute.)

Mr. TIM MURPHY of Pennsylvania. Madam Speaker, with oil and gas prices climbing to record highs and families struggling to make ends meet, what did Congress do to help this week? Well, we voted on monkeys. Yes, we voted to prohibit you from driving a monkey across State lines. We also had a lengthy debate on whaling. But no votes to increase energy supplies to lower gas prices. Good for monkeys, good for whales, but not good for America's families.

Sixty-seven percent of Americans support safe, environmentally sound exploration of our resources. The American people understand that we need more American energy, not Saudi Arabian, not Venezuelan or Russian energy dependence. American energy means we are creating American jobs, not funding plush skyscrapers in Dubai. And lower prices allow us to invest our dollars in alternate energy and conservation.

Earlier this week, I introduced House Resolution 1282 to encourage the removal of the executive ban on drilling along our Outer Continental Shelf. The President has the power to remove this ban today, if he chooses. I invite all my colleagues to cosponsor my resolution. Let's bring relief for America's families.

DRILL NOTHING CONGRESS— PART II

(Mr. POE asked and was given permission to address the House for 1 minute.)

Mr. POE. Madam Speaker, the Drill Nothing Congress has let another week

go into the history books, but no progress has been made on solving rising gasoline prices. Most Americans are for offshore drilling, but the don't-drill-in-America gang says no.

Why does the anti-American drilling crowd think it is wrong for us to drill at home, but it is right for OPEC and the Saudis to drill and sell us crude that costs Americans \$425 million a day?

The Drill Nothing Congress says those American oil companies, which they seem to despise more than OPEC and dictator Chavez, have enough leases on Federal land. The problem with that lack of logic is there is no oil on those leases. The land is full of dry holes. It is like trying to lease Death Valley to the farmers to grow corn. It won't work.

The don't-drill group thinks American oil companies make too much money. Little do they know oil companies are owned by millions of middle-class Americans who are called stockholders.

Open up the Outer Continental Shelf. American oil companies will pay millions in lease revenues to taxpayers. Thousands of jobs will be created. America needs to take care of America. Drill offshore.

And that's just the way it is.

CELEBRATING THE LEGACY OF THE HONORABLE ALICE ROBERTSON, MEMBER OF CONGRESS

(Ms. FALLIN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. FALLIN. Madam Speaker, today I would like to share with the Chamber a very significant moment in our history. Eighty-seven years ago today, on June 20, 1921, Congresswoman Alice Robertson became the first woman to sit in the chair and preside over this body.

She was a pioneer, an educator, a public servant, and only the second woman ever elected to Congress. She is a testament to the power of the 19th amendment and a symbol of the full participation that women have enjoyed in government ever since its passage. Today, women occupy many seats in this Chamber, even the Speaker's Chair.

So we owe much to Alice Robertson, and I ask that you join me in celebrating her legacy and giving thanks to the memory of this wonderful Oklahoma woman.

RECOGNIZING THE HINSDALE CENTRAL HIGH SCHOOL BOYS TENNIS TEAM

(Mrs. BIGGERT asked and was given permission to address the House for 1 minute.)

Mrs. BIGGERT. Madam Speaker, it is with great pride that I rise to congratulate the Hinsdale Central Red Devils on winning the Illinois State

Boys Tennis Tournament held at Hershey High School in Arlington Heights. This year's State finals mark the second consecutive State championship for Central's boys tennis team.

Team member Augie Bloom placed third in singles and the doubles team of Dan Ballantine and Ian Tesmond placed fifth in the State. Additionally, teammates Krishna Ravella, Paul Cooper and Josh Sink all contributed to bringing home the prize. Their outstanding performance on the court won 37 points, a one-point margin of victory. Guiding the team to victory were coach Jay Kramer and assistant coaches John Naisbitt and Bro Ballantine.

Madam Speaker, our community is very proud of these champions, who worked so hard for this victory. Their dedication and fighting spirit is a testament to their school and the State of Illinois.

Again, I congratulate the Hinsdale Central Red Devils on their state title, and wish them the best of luck in future seasons.
